## March 2019

### Dear Parents,

Welcome to SPRING.... hopefully. Sunnier and longer days seem to have finally emerged and CWBM is thrilled to see Spring around the corner even if it is taking its sweet time!

### Website Updates

Children's World is vamping up their website! We have already added a section that allows our parents and prospective new enrollments a space to get to know our Head Teachers. Children's World is filled with faces from all over the world and we felt that it was important that we all got to know each other a little bit better.

Not only have we added our Head Teacher Bio's, but we are currently working on a list of the current Spanish circle time songs that will be posted under the Parent Resources tab. Please check back into that area throughout the month to see the updates and your child's favorite songs. What better way to continue the fun then to be able to sing the songs with your loved ones at home!

### Summer Session Part 2

Children's World would like to thank all the parents who took the time to fill out the Summer Session Attendance form that was placed in each classroom. Having this information is absolutely beneficial and helpful to administration in configuring the roster for the Summer and Fall enrollments. If you did not get to fill this form out, do not worry, someone from the office will be contacting you

## Reminders

### Closures:

Children's World will be closed for Spring Break from March 11<sup>th</sup> to March 15<sup>th</sup>. Classes will resume on Monday, March 18<sup>th</sup>.

### ATTENDANCE SHEETS

Please remember to sign your child in and out **every day**. These attendance records are the only record we have if there is an **emergency!** PLEASE help us keep track of your kiddos!

### **ASD SCHOOL APP**

Please remember to sign up for the Anchorage School System App. Children's follows all snow days declared by the Anchorage School System.

### **Outside Gear**

Although Winter has taken its time this year, it is still important to have the appropriate outside gear. Our little ones will play outside unless it drops below 20 degrees and our big kids will tough it out unless it drops below 10 degrees. Please pack hat, gloves, snow pants, jacket and snow boots!!!

via phone, email or messenger pigeon to get the details for your child.

Official Summer Session Applications will be available after Spring Break, on Monday March 18<sup>th</sup>, for our school-aged children. Please stop by the office if you have a school-aged sibling that would like to enroll in the program or know any kids that age that you think would just have a blast attending our Montessori Summer Program.

Sincerely,

Children's World Bilingual Montessori
