September 2019

Dear Parents,

Welcome to the Fall 2019 school year. Children's World is excited to begin this new journey with returning and new students. A new school year is a wonderful time to immerse ourselves in all that is Montessori and embrace new changes

Welcoming New Faces

Children's World is pleased to be welcoming new Assistant Teachers and new Head Teachers to our school. We feel that the additions will have wonderful gifts to share with our children. Children's World also will be moving some familiar faces to new classrooms. We do this to allow our teachers new experiences and for the children to benefit from the different skills and talents that these teachers will bring.

As new teachers arrive, we are sad to see that some teachers are ready to move on to new adventures in their lives. We wish them well and know that all the training and experience given by Children's World will help them on their next journey.

Teachers are not the only new addition to Children's World. With the start of a new school year, there are many new faces entering the classrooms. Children's World knows that new places and new friends can be scary, but we know our new students will feel welcomed and accepted into their new classrooms.

Falling Back into the Groove

Routines, routines, routines. The simplest order of activities/events can truly help a child feel more secure and confident in his/her surroundings. Children thrive on understanding of how their day will unfold and be able to predict

REMINDERS

Tuition

New tuition is now in effect for September 2019.

Payments

Payments are due by the 5th of every month. If the 5th falls on a weekend, tuition should be received the following Tuesday.

Fall Material Fee

A new year means new supplies for our classrooms. The Fall Material Fee of \$100 is due with September's tuition.

Security Codes

New security codes will be sent out in an email this Saturday. Please keep your eyes open

what will happen throughout the day. The first week of school can often be a little scary and stressful for some young Montessori students because they aren't able to predict how the day will unfold. It is our responsibility to make the transition as simple and stress-free as possible.

This is why, Children's World asks that all children arrive before 9:30 AM, to allow the child to participate in the Montessori Morning Circle. This circle introduces the themes, activities, songs and Montessori Works for the day and allows the child to engage in a community activity. During this time the Montessori teacher will go over the daily schedule and discuss what the classroom holds for them that day. This morning Montessori Circle allows the children to have an understanding of what their day will look like.

Sincerely,

Children's World Bilingual Montessori
