

Children's World

BILINGUAL MONTESSORI

INFANT • TODDLER • PRESCHOOL • KINDERGARTEN

October 2019

Dear Parents,

Termination dust and brisk weather are here to stay!! Fall is bringing the most beautiful change of seasons this year and Children's World could not be more excited. Fall is a wonderful time to explore the changing world around us and to welcome transformation.

Invoices, Statement, Extended Hours OH MY!

Children's World would like to remind everyone of the process of monthly tuition invoices versus statements. Every month families receive an invoice, by email, if their account is balanced (i.e. they have made correct payments and have not accrued credits or extra charges). If an account has accrued a credit (by paying extra each month) or extra charges (by under paying each month), a statement will be prepared to show the past few months of history for the account, with the total amount due in the bottom right corner.

Extended hours are billed 1-2 days after the first of the month. The reason for the delay is that extended hours and late pick ups need to be calculated from the previous month, for the entire school. Please be aware that this invoice will come by email and are due as soon as possible. For families on autopay, we ask that you pay this invoice before the next month so our accounts will be balanced.

REMINDERS

Payments

Payments are due by the 5th of every month. If the 5th falls on a weekend, tuition should be received the following Tuesday.

Holiday

Please remember that we do not allow Halloween costumes at the school. This follows our Montessori Philosophy and allows us to stay focused in the classrooms.

Outside Gear

With the weather blasting through Fall and heading towards Winter, please do not forget to pack the appropriate outside gear. The temperature is quite chilly in the mornings!!

Gift for the Parents: TAKE 2!!

Last year Children's World attempted to give a gift back to the parents by providing free childcare during the holidays. Unfortunately, the ground started shaking the day before and we were unable to gift this to you.

Well, we are giving it a second shot and are going to be offering free childcare, to all enrolled children, on Saturday December 7th from 9:00 am to 12:30 pm. What you decide to do with these few hours of free time is completely up to you! Go holiday shopping, meet friends for brunch or just cuddle up on that couch and enjoy some quiet time! Children will enjoy holiday crafts, snacks, hot cocoa and just an all-around good time.

Sign-up sheets will be located at your child's classroom, where you sign them in and out daily. Please make sure that you have signed up by Friday, November 1st. Unfortunately, any late sign-ups will not be accepted.

Grace and Courtesy at our School

With the seasons changing, Children's World would like to remind all parents, grandparents, friends and visitors that we practice the removal of shoes at our school when inside the buildings. The Montessori Philosophy requires the children to be working on the floor and we do our best to keep the floor inside the classroom immaculate, so the children can work in a positive environment. We ask that you remove your outside shoes upon entering the buildings, to prevent tracking in leaves, rock, dirt, water and soon to be snow.

We understand that this can be tedious, but it is the best for the children and the school as a whole.

Sincerely,

Children's World Bilingual Montessori
