

Children's World

BILINGUAL MONTESSORI

INFANT • TODDLER • PRESCHOOL • KINDERGARTEN

January 2020

Dear Parents,

Welcome back from a wonderful winter break! We hope you all enjoyed the holidays with your family and loved ones! We are joyed to be back with the kiddos and to continue experiencing new and exciting things with them!

BIG THANK YOU TO ALL OF YOU

Children's World was absolutely overwhelmed by the amount of donations that were received for the AWAIC Toy Drive. We received donations from over 30 families, totaling over 60 items donated to the families at the shelter this holiday season. AWAIC was so grateful to see so many families helping others in need for the holidays.

Children's World hopes to continue this charitable event in the years to come, to ensure that families in need are supported, and to show the importance of giving to our children.

Website Updates

Children's World asked for feedback on improvements we could make within our school and have begun to implement the new ideas that were given.

Currently, CWBM is gathering many of the Spanish Circle Songs and posting them on our website under the Classroom Resources. We understand that you may not know the tune to all the songs, so over the next few months CWBM will be asking some of the older classrooms to sing them and the audio recording will be added to the webpage. This will take some time, so we ask for your patience.

Sincerely,

Children's World Bilingual Montessori

Closures

Children's World will be **closed** on Monday, January 20th, in observance of Martin Luther King Jr. Day.

Reminders

Tuition will be considered **LATE** if it is received after Friday, January 10th.

Snow Days

Don't forget to sign up for the **Anchorage School District App** to keep you up to date on the possible Snow/Ice Closures for the school!
