

Children's World

BILINGUAL MONTESSORI

INFANT • TODDLER • PRESCHOOL • KINDERGARTEN

March 2021

Dear Parents,

Sunny days are upon us and Children's World is so thankful to have made it here. This past year has been full of ups and downs, but CWBM continues to thrive and we have our community to thank for that. Thank you to our children, families, administration, staff and TEACHERS for sticking it out with us these past 12 months!

Change in Procedures

Now that the normal hours of operation have been restored, we will need to adjust to a new drop off and pick-up routine. The playground schedule has changed and it is important to know where and how you will be dropping off or picking up your child. Attached at the end of this newsletter is the new schedule for the playground. As always, CWBM may adjust or change the schedule if we find some incongruities along the way.

If you are dropping off your child during recess, please make sure they are dressed for outside. Please drop their items off at their cubby, stop at the classroom door for your daily health check and then proceed to their playground where the teacher will sign them in.

Teachers will no longer bring the students' belongings to the playground for pick up. Parents will have to retrieve these items from their child's cubbies. Please remember to do this swiftly and do not congregate in our hallways for more time than needed to collect your child's belongings.

Reminders

Children's World will be **closed** on Monday, March 8th, to Friday, March 12th for Spring Break.

Summer Session Attendance has been finalized for all current enrollments.

DOOR CODES will be needed to enter the buildings starting March 1st.

Snacks & Lunches: Please remember to provide **2 snacks and a lunch** for your child every day. Each meal should be in its own container, labeled with your child's name, date and either **Snack 1, Snack 2 or Lunch**. Please always pack extra food, as growing children's appetite fluctuates daily. Each meal should have a balanced diet of fruit, vegetables, protein and grain. Please do not send sugary cereals, treats or juices to school.

Summer Session

Thank you everyone for giving us your Summer Schedule requests. We have now finalized the Summer Attendance for 2021. We are hoping to hold our annual Summer Camp for children ages 5 – 8 years old, but will not know if we will be able to accommodate this group until late spring. If you are looking to enroll an older sibling, please know that we will update you as soon as we have all of our information. Thank you for your patience during this time.

Door Codes

Starting Monday, March 1st, Children's World will be implementing the use of Parental Door Codes. The door will not remain unlocked during the drop off and pick-up hours. Parents will need to use their code to enter any building associated with CWBM.

Your code will have access from 7:15 AM to 5:45 PM. After 3 incorrect attempts, the lock will freeze for 30 seconds with a red flash every 10 seconds. After this point you can re-enter the correct code.

Sincerely,

Children's World Bilingual Montessori
