## BILINGUAL MONTESSORI

INFANT • TODDLER • PRESCHOOL • KINDERGARTEN

June 2021

Dear Parents,

Summertime has arrived and Children's World is excited to be basking in the sun. The days are longer, and the new adventures are right around the corner for June.

### New Classrooms and New Enrollments

June will be filled with new experiences and new faces at our school. This month the school will be seeing a large movement as our children begin transitioning into new classrooms. There will also be many new faces roaming the halls of Children's World, so let us be sure to show our new friends all the grace and courtesy they deserve.

Remember that change can be difficult, for any age, and we are here to support the children as they embark on these new journeys.

### Covid Mitigation Policy Changes Cont.

Following with the continued, albeit slow, return to norm; Children's World will again be easing up on some of the Covid Mitigation Policies. In the last newsletter it was stated that the Daily Health Questionnaire was removed from the drop off procedure, students with fever were only required to be out for 24 hours, hourly cleaning of materials will be replaced with daily classroom material cleaning, and prior approval for early or late drop offs are not necessary.

### Reminders

\$125 **Summer Material fee** will be applied to all student's June tuition as per policy.

Please check the **Playground Schedule** at the end of the newsletter to see changes for our Summer Program.

**Snacks & Lunches:** Please remember to provide **2 snacks and a lunch** for your child every day. Each meal should be in its own container, labeled with your child's name, date and either **Snack 1, Snack 2, or Lunch**. Please always pack extra food, as growing children's appetite fluctuate daily. Each meal should have a balanced diet of fruit, vegetables, protein, and grain.

Please do not send sugary cereals, treats or juices to school as we will not serve them to the children.

Please provide your own **Bug Repellent and Sunscreen** for your child this year. Do not forget to fill out a topical product form for each item!

The next policies to change are as follows:

**1. Bedding and outside clothes may stay at school.**

- Bedding and clothes do not have to be taken home each day. Bedding may stay for the entire week and then taken home on your child's last day of attendance.

**2. Temperature checks will be reduced.**

- Children will only have their temperature checked before nap time. Temperature checks at drop off will now be eliminated, for child and parent.

**3. Parents will be allowed to drop off and pick up inside their child's classroom.**

- Masks are **MANDATORY** for parents when on premises (parking lots, playgrounds, and classrooms). **Parents are to not congregate in the classrooms. Drop Offs and Pick Ups must be down in a timely manner.**

**4. Shoes Off Policy will go back into effect.**

- Parents will be required to remove their shoes upon entering the building for drop off and pick up. The sanitation mats will be removed, and we ask for 100% compliance. Parents will not be allowed in classrooms if their shoes have not been removed.

**5. Teachers can be without a mask while outside.**

- This policy was addressed in a school wide email during May. The policy only applies to teachers and parents are still required to wear a mask while on school grounds.

Please contact administration if you have any questions or concerns about this change in policy and procedure.

Sincerely,

Children's World Bilingual Montessori

## Playground Schedule

### Older Toddler – Pre-Kindergarten

8:00 am – 8:30 am	Pre-Kindergarten Gym
8:15 am – 8:45 am	Older Toddler
