## BILINGUAL MONTESSORI

INFANT • TODDLER • PRESCHOOL • KINDERGARTEN

**May 2021**

Dear Parents,

The end of the school year is approaching and looking back we could not be more thankful for each member of our community. Thank you for making this year the best it could be!

### **Grace and Courtesy**

Children's World asks all parents to show grace and courtesy when on our school grounds. Please be mindful when walking through our hallways, as little one's eyes are always watching.

Setting good examples by following the policies is mandatory at CWBM. This means face masks on when on the properties, adhering to the proper building exits for your classrooms, and using your manners when scooting by another family in the hallway (we know it can be a tight squeeze).

### **Covid Mitigation Policy**

The Anchorage Municipality has announced that it will be lifting all Covid-19 mandates (excluding the Face Mask Mandate) starting Monday, May 3<sup>rd</sup>. Children's World will continue to follow our Covid Mitigation Policies but will be removing or changing a few of our procedures start May 3<sup>rd</sup>.

- 1. Parents will no longer be required to fill out the Daily Health Questionnaire.**

### **Reminders**

Children's World will be **closed** on Monday, May 31<sup>st</sup>, in observance of Memorial Day.

**Fall Session Attendance** has been finalized for all current enrollments.

**Snacks & Lunches:** Please remember to provide **2 snacks and a lunch** for your child every day. Each meal should be in its own container, labeled with your child's name, date and either **Snack 1, Snack 2, or Lunch**. Please always pack extra food, as growing children's appetite fluctuate daily. Each meal should have a balanced diet of fruit, vegetables, protein, and grain.

Please do not send sugary cereals, treats or juices to school as we will not serve them to the children.

Please provide your own **Bug Repellent and Sunscreen** for your child this year. Do not forget to fill out a topical product form for each item!

- We still ask for open, honest communication about any travel outside of Alaska or family members who have become sick within the household.

**2. Children presenting with fever will no longer be required to stay home for 72 hours.**

- 24 hours fever free will be the new implemented policy for children.

**3. Children's World will no longer perform hourly cleaning of materials within the classrooms.**

- Teachers will do material cleanings in segments throughout the day.

**4. Staggered schedules will remain in effect, but prior approval for early drop offs or late pick ups is no longer necessary.**

- Please contact Administration if your child will be arriving after circle time or will be absent for the day.

Children's World will continue to work towards returning to our previous operating procedures. This will not happen overnight, but with the help and cooperation of the families, staff, and community of Children's World we can work towards a common goal of life before the virus.

Please contact administration if you have any questions or concerns about this change in policy and procedure.

### **Summer Session**

Children's World is looking forward to the Summer Session and has already begun planning fun activities for all the classrooms to partake in. Administration is still ironing out the details but wanted to give everyone a sneak peek into our ideas.

June's theme will be all about animals and the world around us. Special guests will be coming into the classrooms to give animal demonstrations and puppet shows. Virtual Field Trips will include botanical garden experiences, science center engagements and trip into outer space!

July will be encompassed with the joy of Water Play. Alaska's summers are short, and July tends to be the month with the real heat, so Children's World will be breaking out every water toy we have, as much as we can, to take full advantage of this time. (Don't worry! We will still have water play in June and August too!)

August will be our grand finale with a special Carnival Day for each classroom. Face painting, games, hot dogs, popcorn, etc. will be taking over our playgrounds.

More information will be available as each month approaches! We hope you enjoy the festivities as much as we will!

Sincerely,

Children's World Bilingual Montessori

**Playground Schedule**  
**Older Toddler – Pre-Kindergarten**

<b>8:00 am – 8:30 am</b>	<b>Pre-Kindergarten Gym</b>
<b>8:15 am – 8:45 am</b>	<b>Older Toddler</b>
