August 2021

Dear Parents,

As we enter the final month of Summer Session, Children's World will be committed to creating a fun and joyful experience for all our students before the commencement of our Fall school year.

Covid Mitigation Policy

Children's World has been watching closely as Covid-19 cases have begun, once again, to rise within the Municipality of Anchorage. Our first duty is to protect our community and keep the littlest ones safe. Although our Municipality or State government has not re-issued any Health Mandates, Children's World will be re-introducing policies from our Covid Mitigation.

Starting **Monday, August 1st**, parents will need to fill out the Daily Health Questionnaire again. This questionnaire can be found on our website, cwbilingualmontessori.com, under the tab Daily Health Questionnaire. Please fill this out every morning before drop-off and bring your phone to show your child's teacher the green check mark of completion. This tool will allow us to keep track of travel, possible exposures, and the health of our community.

We will also be requiring that parents decrease their time dropping off and picking up their children. This mitigation tool keeps people from congregating in hallways and on school premises, allowing more control in how many people the children and teachers are exposed to.

Reminders

Carnival Events for Younger Toddler, Older Toddler, Preschool, and Pre-Kindergarten dates **TBD**.

Fall Tuition Increase goes into effect September 1, 2021.

Implementation of prior Covid Mitigation Policies reinstated starting **August 1st, 2021**.

Classroom Door Codes will be updated before the Fall School Year. Please check your email for the new codes at the end of August.

Do not forget to check your **classroom newsletters** for special activities or requests from your child's teacher! Summer months are full of exciting adventures!

Teachers are wearing their masks during the day; temperature checks are still ongoing and deep cleaning of the environment is being followed.

We understand that this is not where we hoped to be at the end of our Summer, but we must collectively do the right thing for our community.

Carnival Extravaganza

Children's World will be having a special Carnival Day for all the classrooms at the Main Site, located at 7423 Jewel Lake Rd. Each classroom will host a carnival for their students on one day in August and it is going to be a blast.

Younger Toddler, Older Toddler, Preschool and Pre-Kindergarten will all be partaking in this event. Please be on the lookout for updates with the specific days and times for your child's classroom.

Tuition Increase Notice

On September 1, 2021, Children's World will be implementing a tuition increase for all students enrolled. This is an annual increase that was not implemented last year, due to the Covid-19 Pandemic.

This increase will go towards our staff's salaries, replacement of materials and improvement of facilities. Please find the Fall 2021/2022 School Year Tuitions attached at the end of this newsletter.

Sincerely,

Children's World Bilingual Montessori
