October 2021

Dear Parents,

Winter has arrived?!?! Fall seems to have lost its way this year and winter came a bit early! The falling leaves, below freezing temps and termination dust being more of a termination blanket have created a wonderful juxtaposition environment for our children to explore and wonder about!

Procedure for Informing and Quarantine for Close Contacts

Covid-19 has brought many difficult moments to our lives over the past year and a half. As we continue to navigate this situation, Children's World wants to remind everyone our policy and the procedure for a close contact situation.

A close contact is someone who has been within 6 feet, for more than 15 minutes, to a person who tested positive for Covid 19. When your child has been identified as a close contact, you must immediately inform Administration and that child will be required to quarantine for a minimum of 10 days while they observe for symptoms. It is recommended that children be tested, but not required for a return to school if they have remained symptom free.

If someone in your household develops symptoms to Covid-19 and are being tested, when you fill out the Daily Health Questionnaire, we ask that you be honest and inform us in question 4. If you are testing a family member it is best that your child stays home until the results are received. If a parent or sibling tests positive your child is required to quarantine for the 10 days.

These actions are the best choices for our community as a whole to prevent classroom closures.

Reminders

Fall Tuition Increase went into effect September 1, 2021.

Extended Hours are available and granted on a case-by-case basis. \$7 per hour will be charged for each child who is granted an extended hour.

Late Pickup Fees will be charged when a child is picked up after 5:30 PM. \$10 for the first 5 minutes and \$1 per minute each additional minute.

Please remember that the mornings are quite chilly. All children need appropriate outside gear (gloves, hats, snow pants, jacket) for morning recess. Temperatures are sometimes below freezing when the children are outside.

Invoices, Statements, and Extended Hours

Children's World would like to remind everyone of the process of monthly tuition **invoices** versus **statements**. Every month families receive an invoice, by email, if their account is balanced (i.e., they have made correct payments and have not accrued credits or extra charges). If an account has accrued a credit (by paying extra each month) or extra charges (by under paying each month), a statement will be prepared to show the past few months of history for the account, with the total amount due or credit available in the bottom right corner.

Extended hours are billed 1-2 days after the first of the month. The reason for the delay is that extended hours and late pick-ups need to be calculated from the previous month, for the entire school. Please be aware that this invoice will come by email and are due as soon as possible. For families on autopay, we ask that you pay this invoice before the next month so our accounts will be balanced.

Sincerely,

Children's World Bilingual Montessori
