BILINGUAL MONTESSORI

INFANT • TODDLER • PRESCHOOL • KINDERGARTEN

June 2022

Dear Parents,

Summer has arrived and Children's World will be taking full advantage! Field Trips, petting zoos, and endless water play are in our sights!

Special Events

Summer is a time for relaxing, playing, and soaking up as much sun as possible! Children's World will be taking every opportunity to give each classroom wonderful adventures throughout the summer.

The Pre-Kindergarten classrooms (located in the yellow house and gym) will be taking a field trip to the Alaska Zook this June. Children will be riding on school buses (very exciting) and having a small picnic at the zoo as well. Please be on the lookout for more information for your student and the ability to have parent volunteers with us.

The Younger Toddler, Older Toddler, and Preschool classes will also be having an encounter with a Petting Zoo right here at our school. This event will be happening in July, with more information being given as the date is solidified.

There is also another event in the works for August and more information will be available in July.

Children, in all classrooms, will enjoy a summer full of water play! Please be aware and pack extra clothes for the extra wet days. Pre-K classrooms will need bathing suits, towels, and hats for their adventures!

Parking Lot Awareness

Please be mindful when arriving at Children's World. The parking lot is very busy, and safety should always be everyone's first concern.

CLOSURES

Children's World will be closed Monday, June 20th, in observance of Juneteenth Day.

Reminders

Face Masks are now optional for staff at Children's World starting June 1st, 2022.

Children must be always accompanied by an adult when walking through the parking lot, gates, and to their classroom. Children are not permitted to run upstairs and down hallways, leaving their parents side. Children are not permitted to run from cars to gates, vice versa, during drop off and pick up.

When driving in the parking lot, please remember to drive slowly. There are little ones in every direction and safety (again) should be our top priority.

Please reach out if there are any concerns and questions.

Thank you.

Sincerely,

Children's World Bilingual Montessori
