BILINGUAL MONTESSORI

INFANT • TODDLER • PRESCHOOL • KINDERGARTEN

May 2022

Dear Parents,

The end of the school year is fast approaching! We are so grateful to our entire community for all the support and kindness that has been shown this past school year. We are excited for the warm days and midnight sun ahead and look forward to our 2022 Summer Session.

Face Masks Optional

Parents will no longer be required to wear a face mask while on school grounds (indoors or outdoors). Wearing a face mask will be optional for each parent starting May 1, 2022.

Children's World is appreciative of the cooperation of families during the last two years with the face mask mandate. It has been difficult to keep ourselves covered, even though it was for the health of our community, and we thank you for working with us while we navigated difficult and unsure times. We feel as though the numbers within the state, municipality, and our community reflect a return to normalcy more and more every day. As summer approaches, teachers will no longer be required to wear a mask and it will become optional for them starting in June.

As we continue, we will closely monitor the Covid situation within our microcosms and macrocosms, and if there is a sudden increase of Covid infections, CWBM will reserve the right to reinforce the mask mandate. Hopefully, we will never have to, but please be advised that this is a possibility.

Summer Movements

June provides Children's World with the opportunity to do a large classroom movement. Please be on the lookout for a classroom movement email from the Enrollment Specialist, Indhira, informing you if your child is moving to the next classroom for our Summer Session. Once all

CLOSURES

Children's World will be closed Monday, May 30th, in observance of Memorial Day.

Reminders

Please remember to sign up for the Breakfast Calendar for your child's class!! All families enrolled in Full Time schedules, or who partake in breakfast must sign up for 1 day!

classrooms have been informed of the movements, a second email will come within a few days to schedule a tour with the Head Teacher.

Please do not feel alarmed if your child is not yet moving to the next classroom. Movements are done when a child has mastered their current classroom materials, transitions, and is ready for the next challenge. Children develop and move at their own pace, and it is important to respect where each child is on their journey!

Please reach out if there are any concerns and questions.

Thank you.

Sincerely,

Children's World Bilingual Montessori
