July 2022

Dear Parents,

Hot Hot Hot! Alaska is feeling the heat right now and Children's World will continue to take advantage of these long, warm sunny days!

Special Events

The Pre-Kindergarten classrooms had a blast at The Alaska Zoo in June, and we are excited for the next event for the littler ones at our school.

A petting zoo, hosted by Party Ponies and Friends, will be returning to our school this July. Younger Toddler, Older Toddler and Preschool will get to spend time with chickens, ducks, goats, sheep, pigs, and miniature horses! This event will take place on July 8th, in the front parking lot. Please be advised that drop offs on this day may be a bit crowded, so please park at Jewel Lake Parish (3833 Strawberry Rd) and walk your child over to the school. This will make it a bit less stressful for the animals as they get set up that morning.

In August, both Pre-K's will again ride that big yellow school bus and travel to the Botanical Gardens where they will explore the wonders of Alaska Horticulture. Children will engage in 2 different encounters with their guide, as well as spend some time freely walking around the gardens. Please check in with teachers if you wish to chaperone.

Outside Time and Air Quality Monitoring

As with every summer, forest fires are taking a toll on our Alaskan terrain. Children's World closely monitors the air quality during this time and takes all advisories seriously. Outside time will be decreased or removed if the Air Quality Index deems it unsafe for sensitive groups. If the Air Quality

CLOSURES

Children's World will be closed Monday, July 4th, in observance of Independence Day.

Reminders

moves into the red zone (Unhealthy) outside will be removed and children will enjoy gross motor inside with their peers and teachers.

Policy Evaluations

Children's World will continue to monitor the health of our community and adjust our policies to best fit the needs of our students, families, and staff. Face masks are not required by children or parents. Staff will wear face masks when there has been a documented Covid-19 cases within their classroom for the 10 days (per CDC guidelines).

Looking forward, we hope that there will no longer be any interruptions to the classroom attendance and will continue to work towards the full return to normalcy.

Please reach out if there are any concerns and questions.

Thank you.

Sincerely,

Children's World Bilingual Montessori
