August 2022

Dear Parents,

Sunshine has returned and we hope that it stays around for as long as possible so the children can enjoy as much fun in the sun before Fall arrives!

Illness in the Classroom

Germs are everywhere and have always been a part of our lives, long before Covid -19. As our school has returned to its normal operating procedure, even with Covid-19 still apart of our daily lives, we would like to remind parents that it is still required to report known illnesses, especially highly communicable ones.

For example, illnesses like Whooping Cough, Hand Foot and Mouth, Conjunctivitis, and Rotavirus spread from individual to individual quite easily. If you child is showing symptoms that resemble these illnesses or has been diagnosed with one, it is required to inform Administration. Administration then will post notices at the classrooms to inform the other families of the diagnosed illness within their child's class.

Let's continue to look out for everyone in our community and work together to keep the children and the staff as healthy as can be.

Open House

For the September movements and new enrollments, Children's World will be holding mini "Open Houses" for the classroom changes. 4-5 families will attend at one time, for 30 minutes. During this time, we encourage you to ask questions about day-to-day classroom procedure, curriculum, materials, etc. with your new Head Teacher.

This will also be a time for the children to get to explore the classroom and engage with the new works. The intention of these meetings is to allow familiarity for the children, so that the first day will not be overwhelming, and an introduction between parents and teachers.

For families who are unable to attend the scheduled Open House for their classroom, there will be one additional day offered to attend a mini open house, which will be determined by the Head Teacher's schedule.

Please reach out if there are any concerns and questions.

Thank you.

Sincerely,

Children's World Bilingual Montessori
