BILINGUAL MONTESSORI

INFANT • TODDLER • PRESCHOOL • KINDERGARTEN

November 2022

Dear Parents,

Winter has arrived! Snow days, snowmen, and snowball fights are upon us. Children's World is thrilled to be back in this winter wonderland with your little ones.

Giving Thanks

The month of November is centered around giving thanks to those we love. It is a beautiful time where we look to our friends and family, as we show our appreciation for all that they do.

Children's World would like to give our thanks to all our students, families, and staff for their continued dedication to our program. This community has never been stronger, and we are so proud of the journey we are taking together.

The Children's Hospital at Providence Medical Center Fundraiser

For the month of November, we will be hosting our annual fundraiser. This year we have decided to donate to The Children's Hospital at Providence Medical Center. Children's World chose this organization because we want to ensure that these children find joy and excitement while they are healing in the children's hospital.

For this fundraiser we will be doing things a little bit differently. Each child will go home with a small piggy bank (that they have gotten to decorate) and the goal is to "Feed the Piggy". We are hoping that each family will donate their change, as they "Feed the Piggy" and each time the piggy bank is full they will bring the change to their Head Teacher to have it added to the larger piggy bank in the classroom.

Closures

Children's World will be **closed** Friday, November 11th in observance of Veteran's Day.

Children's World will be **closed** Thursday, November 24th and Friday, November 25th in observance of Thanksgiving.

Winter Break

Winter Break will be from December 26th through January 6th.

Classes will resume on Monday, January 9th.

Tuitions will be do by Friday, January 13th.

Extended Hour Invoices, from December, will be sent out by Tuesday, January 10th.

DOOR CODE

2391

If every family can donate \$20 to their piggy bank, then Children's World would be able to purchase every item on the Amazon Wish List that The Children's Hospital has asked for!! These items range from toys, games, blankets, journals, DVDs, etc. These items stay at the hospital and are available to the children during their stay there.

This is also a wonderful way to introduce charity and generosity to your child. Children should be the one's "Feeding the Piggy" and understand that this money will be going to help children who are sick and staying in the hospital. Children who engage with charity develop a strong sense of community and deeper understanding of empathy.

We hope that everyone will participate, and we will be able to reach our goal for these children and their families! If you have any questions, please contact Administration.

Policy Update

Every day it feels as though the Covid-19 pandemic is farther and farther behind us. We are extremely grateful to have made it through those times. As cases of Covid-19 become less and less, Children's World will again be updating our policies.

Children's World will no longer be informing families of "Close Contacts" within the classrooms.

If there is an individual that has tested positive for Covid-19, Children's World will only be informing the families of the classroom that had the infected individual enrolled.

Notices will also be posted in the affected classroom, as we do for all other contagious illnesses.

Administration understands that things can change in a heartbeat, and therefore, policies can revert to previous versions if it is found to be in the best interest for the community.

We thank you for your cooperation.

Please reach out if there are any concerns or questions.

Thank you.

Sincerely,

Children's World Bilingual Montessori
